

Made in Korea (Portfolio Vol. 4) (Italian Edition)

Made in Korea è il resoconto di un paese che ha puntato tutto sulla rincorsa alla modernità, al progresso tecnologico e industriale, mediante una smisurata competizione, nella ricerca della perfezione estetica, scolastica, professionale, una competizione che ha portato con sé devastanti effetti collaterali: stress, alcolismo, isolamento sociale e un tasso elevatissimo di suicidi. Così, Filippo Venturi, fotografo e videomaker, su questo lavoro di approfondimento antropologico sulla Corea del Sud, che in meno di mezzo secolo è diventato uno dei paesi più moderni al mondo, un lavoro che ci fornisce spunti di riflessione universali su chi siamo e dove stiamo andando. Made in Korea è l'opera seconda classificata all'edizione 2015 del Premio Crediamo ai tuoi occhi (sezione Percorsi) promosso da Club Fotografico Avis di Bibbiena, Centro Italiano della Fotografia d'Autore, Comune di Bibbiena e Federazione Italiana Associazioni Fotografiche (FIAF) in occasione del festival FotoConfronti 2015. Fotografie di Filippo Venturi Testi di Filippo Venturi, Silvia Camporesi, Davide Grossi
