

## Batgirl Vol. 2: Knightfall Descends (Batgirl(DC Comics-The New 52))

Batgirl Barbara Gordon faces foe after foe now that she's back in the role of Batgirl. A deadly new gentleman killer, Grottesque, stalks the streets of Gotham City; The Court of Owls sets its sight on her father Commissioner Gordon; and an innocent woman sentenced to Arkham emerges more dangerous than the inmates she was locked up with! A new chapter in the riveting adventures of Batgirl continue in stunning fashion, with script by fan-favorite Gail Simone and stellar art by superstar Ardian Syaf! Their never-ending battle against evil results in casualties beyond its super-powered, costumed combatants. The League's attempts to safeguard innocent lives cannot save everybody. Unbeknownst to Earth's greatest champions, their greatest triumph may contain the seeds of their greatest defeat. For heroes are not the only people who face tragedy and are reborn as something greater than they were before. Villains can take this journey, too. And once they start out on this dark path, the road could lead straight to the destruction of the Justice League. The New York Times bestselling team of Geoff Johns (Green Lantern) and Jim Lee (Batman: Hush) are joined by artists Gene Ha (Top 10) and Carlos D'Anda (Deathblow) for JUSTICE LEAGUE VOL. 2: THE VILLAINS JOURNEY, collecting issues #7-12 of the series. Can the world's greatest super heroes survive a voyage deep into the heart of darkness? It all ends with one of the most shocking and surprising moments in DC history!
