# Berlin: The Inside Story of Germanys Largest City (World Cities)

Using photographs, maps and original artwork plus fact boxes, a time line, a glossary and an index, this new series uncovers the unique character of major cities around the globe. It delves into the stories of each city to reveal its historical background, development and the story of the people and famous personalities who once lived there. The reasons for each citys development are revealed, leading into a modern day picture of its people, transport, architecture, industry, festivals, cuisine, markets and entertainment.
