

Carol Day - Lance Hallam

This book presents the second Carol Day comic strip story, Lance Hallam, in its entirety. The story began on January 9 and concluded on April 19, 1957. It comprises strips #105-188. Lance Hallam represents comic strips at their best, a peak achievement for both David Wright and the medium in general. Carol Day is a classic comic strip by one of the greatest artists ever to work in the medium, but it has not been widely available since its initial newspaper publication. This presentation is scanned from original art and tearsheets, with the majority from original art. The book is designed and optimized for the Kindle App on iPad. It is best viewed on the iPad or on a Mac or Windows PC via Amazons Cloud reader, but it is certainly enjoyable on the Kindle.
