

# Diapers, Pacifiers, and Other Holy Things

WARNING: This is NOT another how-to-be-a-better-mom book, full of lists and impossible goals. Instead, *Diapers, Pacifiers, and Other Holy Things* is for: every mother who has cried out to God that she no longer has to time to spend with Him. every mother who needs to be reminded that she is valuable. every mother who wants to laugh or cry over the ups and downs of life with preschoolers. every mother who enjoys her children and responsibilities, but just needs a break. Each of the thirty-one short chapters will tickle your funny bone or touch your heart, challenge your thinking, and inspire within you the need to walk more closely with your God. Lorraine Pintus writes from her experiences with her two young daughters. She contributes to many Christian magazines, speaks at conferences, is active in MOPS, and, along with her husband Pete, leads Hearts at Home Ministries marriage seminars. The Pintus family lives in Colorado.
