

Grendel: Behold the Devil #4

In Matt Wagner's *Grendel: Behold the Devil #4*, the Korean mob moves against Hunter Rose's criminal empire in this explosive new chapter in the life of the original Grendel! The creeping, mysterious presence continues haunting Rose. As Grendel becomes increasingly obsessed with his unseen pursuer, his grasp on the New York underworld begins to loosen. For the man who assassinates his victims with the same precision that he writes his best-selling novels, this ignorance and weakness is unacceptable. He will uncover the sinister force over his shoulder and show his rivals that the city is his alone! In this critically acclaimed *Grendel* series, previously unavailable online, Matt Wagner returned to writing and drawing *Grendel* for the first time in twelve years! Wagner knows how to use comics potential for epic storylines, and thought nothing of jumping thousands of years forward, creating religions and blowing the story out to colossal scale. *Decibel* magazine
