

Infected #1 (of 4)

A riveting adaptation of Book One of the New York Times best-selling horror trilogy by Scott Sigler! Chad Minszew brings to life the story of a mysterious disease that turns ordinary people into paranoid, raving murderers. Former all-pro linebacker Perry Dawsey awakens to find mysterious welts growing on his body. Soon after, strange voices start whispering, telling him to do horrible things... he is infected. The disease wants something from Perry, something that could alter the fate of the human race.

Keywords: severe sepsis, epidemiology, risk factors, infection, organ Table 1.
