

# Sunny Sark 2016: Images of the Beautiful Island of Sark (Calvendo Places)

Sark is a small island in the Channel Islands in the English Channel, off the coast of Normandy, France. Its small size and remote location have preserved a way of life there lost in Britain fifty years ago. The serenity has only been broken once when it was occupied during World War 2. No cars are allowed on Sark - the only transport is bicycle, foot, or horse or tractor-drawn. The island attracts hundreds of visitors each year who come for the peace, quiet, beauty and wildlife. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
