

The Complete Guide to Repairing & Restoring Furniture

An essential guide to basic and advanced restoration techniques for antique furniture, and a comprehensive directory of tools, materials and equipment. Step-by-step instructions for everyday repairs such as fixing loose joints and repairing broken legs as well as specialist skills, such as turning, carving and upholstery, graining, gilding, marquetry and parquetry.

Starting with the basics, this comprehensive book is a complete course in repairing and restoring all types of furniture, from raising a dent to turning a chair leg.
