

Weavings: A Journal of the Christian Spiritual Life, Volume 1 Number 1, September/October 1986

Welcome to Weavings, a thematic journal. Its mission is to promote informed, committed spiritual growth by exploring how God's life and human lives are being woven together in the world. Weavings seeks to thread together some of the unraveled ends of Christian life—personal formation and social transformation, individual renewal and church renewal, prayer and ministry, contemplation and mission, Sunday and Monday. Weavings is considered to be a significant contemporary resource in the field of Christian spirituality.
